YOGESH HONAMORE

Frontend Developer & UI/UX Designer | B.Tech Computer Engineering

Sangli, Maharashtra, India | +91-8767557295 | yogeshhonamore24@gmail.com | Open to Opportunities

PROFESSIONAL SUMMARY

Frontend developer and UI/UX designer bridging clean code with intuitive user experiences. Skilled in translating wireframes and visual concepts into responsive, accessible interfaces using HTML, CSS, React, and Figma. Owns the full design-to-development lifecycle - from user research and wireframing to final implementation - crafting interfaces that balance visual storytelling with usability and measurable engagement.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript
Frontend: React, Responsive Design, Accessibility (WCAG)
UI/UX Design: Figma, Adobe XD, Photoshop, Illustrator, Wireframing, Interaction Design
Video & Storytelling: Adobe Premiere Pro, After Effects, DaVinci Resolve, CapCut
Tools & Platforms: Git, GitHub, Postman, VS Code, Adobe Lightroom

FEATURED PROJECTS

Portfolio Website with Admin CMS | *React, Figma, MySQL*
- Led frontend development of a responsive, accessible admin interface in React for managing portfolio content.
- Translated wireframes into clean, user-friendly UI in React, prioritizing usability for content management.
- Built reusable, component-based UI architecture to maintain visual consistency and extensibility.

Blood Donor Finder - iOS App | *SwiftUI, Figma, CoreML (Team Project)*
- Designed UI/UX for iOS app connecting blood donors, requesters, hospitals, and blood banks with live map flows.
- Defined UX process end-to-end: donor onboarding, alert systems, and SOS emergency broadcast workflows.
- Translated core user flows into SwiftUI screens balancing urgent usability with accessible interaction.

LMS & QR-Based Attendance Management System | *React, Figma, JavaScript*
- Designed intuitive frontend interfaces for real-time test monitoring and QR attendance tracking.
- Streamlined communication between students and administrators during live exams, reducing friction.

EDUCATION

B.Tech in Computer Engineering (Pursuing) - Rajarambapu Institute of Technology, Sangli — **2023 - 2027**
Grade / Score: CGPA: 7.30

Bachelor of Science (PCM) - Yashwantrao Chavan Maharashtra Open University (YCMOU) — **2022 - 2024**
Grade / Score: Percentage: 75%

Higher Secondary Certificate (HSC) - Science - Sainik School Satara — **2022**
Grade / Score: Percentage: 70%

LEADERSHIP & CERTIFICATIONS

Leadership: Social Media Head: Oyster Kode Club, RIT (2025-2026) - Visual branding, engagement, reels & design
Leadership: Football Team Captain: RIT (2025-2026) - Captained college team to 1st Place at Zonals Tournament
Certifications: Google Cloud Associate Cloud Engineer | Zscaler Zero Trust Certified Associate (ZTCA)
Certifications: Fundamentals of Cybersecurity | Data Science with AI Training
